Covid Safe Back To Work Turn Key Solutions

Eco Sani Station

As your key front line product during these times, show your commitment that says you care about safety with a standalone hand sanitiser station.

Alchemy has created an eco friendly unique product with a low bacterial surface.

This station is more than just being an area to house hand sanitiser, this system also allows you to brand and create a unique message.

Plexydesk Screen

During these times nothing says we care about your safety quite like an enhanced workspace for your staff.

Sani Screens create a barrier from desk to desk in the case of possible airborne particulates.

We have created a unique universal structure to compliment your current workstations, meeting room tables or reception.

Ask about our custom service for unique requirements for your other business needs.

Floor Standing Info Board

Designed using the latest recycled board technology with one of the safest surfaces in relation to carrying viruses.

Internal freestanding messaging boards deliver all the required information your organisation will be required to relay to visiting guests and staff.

Safe Work Print Solutions

Vinyl Signage

Turn your front reception into a messaging platform for safety and compliance in your organisation.

Integrated with your brand and the correct safety messaging puts your business in partnership with a positive safety outcome.

Elevator Guideline Sign

Social distancing in confined spaces needs to be addressed using public display signage.

This easy to install decal can be attached inside and outside of your elevator for clear messaging to guests and staff using the facilities.

X shape Vinyl Floor Decal

Create a clear message with quality made and long lasting floor vinyl messaging made for indoor and outdoor environments.

A range of non-slip, Hi-Viz and OHS compliant finishes are available to deliver creative designs and the messaging you require for your workplace environment.

Custom branded shapes and styles can also be produced to enhance public safety messaging.

Meeting Room Capacity Signage

Setting the rules within meeting rooms or closed rooms will be the key challenge as we meet new social distancing rules set by Government.

Easy to attach signage outlining your company requirement will be a key element as we get back to business.
